

DICKINSON'S INTERVARSITY MINISTRY UPDATE

BUILDING TABERNACLES WITH YOU

"Receive the offering for me from everyone whose hearts prompt them to give... then have them make a sanctuary for me, and I will dwell among them."
- Exodus 25

When I was praying about you,

the Lord reminded me of the tabernacle in Exodus. God raised up people who gave generously of what they had so that the artists Bezalel and Oholiab could build the tabernacle - a place where the Lord would dwell and meet with His people.

As I have thought about what we have partnered together this year to do, this image seems like a good metaphor. You have given generously of what the Lord has prompted you to give. As a result, I have had the materials needed to create spaces for people to encounter Him.

Whether through creative resources I've developed, or the opportunities facilitated in West Michigan for prayer and spiritual formation, God has done incredible things through these tabernacles we have built together to impact the lives of staff and students in West Michigan and beyond! Thank you!

A Tabernacle Story

"GOD HAS BEEN SPEAKING TO ME THROUGH YOUR PAINTINGS..."

I have been longing for God to do something new in me and expand my capacity for ministry through his power and not through my effort. I have sensed the coming of His presence in a new way in my life and I feel like I'm a season of spiritual nesting...tidying up, rearranging, getting ready for a new Person to come into my life and home.

I can't quite put into words how your paintings spoke to all of that, but my spirit just felt like I'd been waiting for it and something in me was being healed..."
